[25 September 2020 – Hong Kong] The HKIHRM HR Excellence Awards Ceremony 2019/20 was staged online at the Institute’s premises today, in line with the public health situation and the need for social distancing. Recognising organisations and individuals who had achieved business success through outstanding people strategies and practices, the Awards featured a total of 25 awards under the categories of NGO, HR Service Provider, Organisational, and Individual. The ceremony culminated with the announcement of the two top prizes, with the Grand Award of the Year given to Cigna Worldwide Life Insurance Company Limited for their Excellent Employee Wellness Award. Virginia Choi, JP, Country Manager & Managing Consultant of Tamty McGill Consultant International Ltd., garnered the Excellent HR Leader Award.

Margaret Cheng, President of the HKIHRM, said in her opening remarks, “As we face multiple disruptions in the fast-changing world, we as HR practitioners have an increasingly important role to play in building company culture, developing best practices, and preparing our organisations for the future of work. The Award programme celebrates organisations and professionals who have accomplished this challenging mission with flying colours.”
